

THE Q3 GAS FIREPLACE

Optional Liners

The Q3 blends in with a variety of decor thanks to a choice of either painted steel liner (Included), black enameled, ledgerstone, or brick liners.

Top & Rear Vent Compatible!

In addition to the original eight position adjustable rear exhaust, we have added a top exhaust. This venting versatility makes the Q3 the most installation friendly gas fireplace in it's class.

New Slim Face

This modern clean face hides the outer bezel of the ClearView Safety Screen and is included with the updated Q3. The Q3 is also compatible with the Lattice and Forgeworks surrounds.

Specifications

BTU Input:	38,000
Valve:	IPI Nova
Viewing Area:	833in ²
Size:	32"H x 32 ³ / ₄ "W

New Log Set

This new updated log set is based on the new Q2 Traditional log set.

New Burner

A new "H" burner gives the Q3 an improved burn with a more realistic flame.
